Mr. Carson J. Robison

New York

Dear Carson:-

For some reason or other you are on my mind this morning and, therefore, there is a reason for this little note.

We are coming along nicely indeed. Our factory is progressing even somewhat faster than we had dared hope in view of the many problems facing all types of industries.

We are now doing some recordings in preparation for our first release.

I know that you are giving a good deal of thought not only to single record releases but to the album of square dances about which we have talked. It occurs to me that the most important thing that we could do is four numbers which might be released as individual records. These we are prepared to record almost at any time and while there is no great rush about it, yet this is to be considered an "invitation to a recording".

Until I see you in person, my best wishes to you, Caddy and the youngsters for a most happy, healthy and prosperous new year.

Cordially yours,

A handwritten signature in blue ink, appearing to read 'Frank', is written over the typed name.
